## ***We can provide:***

- **50cc moped hire with training and equipment**  
Hire for up to six months. £40 non refundable start-up fee and £65/month hire.
- **Electric bike hire with equipment**  
Hire for up to six months. £15 non-refundable start-up fee plus £15/month hire.
- **Reconditioned bicycle with equipment**  
£20 up front and £20 after one month, bike given to you.
- **A free vehicle 'health check'\***  
If you have a vehicle but it is off the road or you're concerned about its reliability or safety, we will arrange for your vehicle to be checked over. You will be given an assessment of its condition and whether the mechanics believe it is cost effective to repair.
- **Travel mini-grant\***  
A mini-grant can be provided for travel costs such as repairs or an MOT. Following a 'health check', if your vehicle can be repaired cost effectively, we can provide up to 80% of the cost of the repair, up to £250.
- **Pre-paid bus tickets** for up to a month's travel\*
- **Limited taxi fares** where public transport is not an option\*
- **Discuss** ways you may be able to fund repairs

## ***Eligibility***

To apply you must be:

- Unable to afford to either buy, or repair your own transport
- Living in Telford & Wrekin
- Need transport assistance to find or stay in work
- Have the offer of a care job

You will not be able to proceed with training, an equipment loan or financial help until you have a job offer.
